Independent Auditors' Report

To the Board of Directors
Boys & Girls Club of Indian River County, Inc. and Affiliate
Vero Beach, Florida

Opinion

We have audited the accompanying consolidated financial statements of the Boys & Girls Club of Indian River County, Inc. (a nonprofit organization) and Affiliate which comprise the consolidated statement of financial position as of June 30, 2024, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the Boys & Girls Club of Indian River County, Inc. and Affiliate as of June 30, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Boys & Girls Club of Indian River County, Inc. and Affiliate's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

To the Board of Directors
Boys & Girls Club of Indian River County, Inc. and Affiliate

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Boys & Girls Club of Indian River County, Inc. and Affiliate's 2023 consolidated financial statements, and we expressed an unmodified audit opinion on those audited consolidated financial statements in our report dated November 28, 2023. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2023, is consistent, in all material respects, with the audited consolidated financial statements from which it has been derived.

To the Board of Directors
Boys & Girls Club of Indian River County, Inc. and Affiliate

Other Matter

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating statement of financial position and statement of activities and changes in net assets (unrestricted) on pages 20-21 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Notes to Consolidated Financial Statements
June 30, 2024

Note 1 – Nature of Organization

These financial statements represent the consolidated financial statements of the **Boys & Girls Club of Indian River County, Inc.** (“Club”) and the **Boys & Girls Club Foundation of Indian River County, Inc.** (the “Foundation”), together the “B&GC”. The Club and the Foundation are related organizations as the Club is allowed to appoint the majority of the Foundation’s Board of Directors, and the Foundation’s bylaws require that the majority of the contributions and earnings on invested assets inure to the benefit of the Club. The accompanying consolidated financial statements include the accounts of both organizations. Intercompany transactions and balances have been eliminated.

The Boys & Girls Club of Indian River County, Inc. was formed on February 4, 2000, to help local youth develop the qualities needed to become responsible citizens and leaders in the community. The organization grew from humble beginnings in an elementary school classroom to become one of the largest youth development organizations in the county. The Club serves more than 1,000 children ages 6-18 each year and hundreds of additional youth through community outreach. It operates three locations, one each in Vero Beach, Sebastian and Fellsmere. The Club welcomes children of all backgrounds, with special emphasis placed on those from disadvantaged circumstances.

The Club locations are open from 2:00 p.m. to 6:00 p.m. after school and all day during summer and on school breaks. Scholarships are provided for any child who is unable to pay the attendance fee. When children walk through the doors of the Club, they enter a safe, positive environment with caring youth development professionals and world-class programs. Key initiatives offered by the Clubs include homework help and tutoring, technology programs, athletics, field trips, and preparation for college and careers through the Destinations teen program. As the demand and need for the Boys & Girls Club increases, the organization continues to diversify its revenue streams, drawing support from individual donors, corporations and various agency grants.

The Boys & Girls Club Foundation of Indian River County, Inc. was formed on July 29, 2012. The Foundation formed for the purpose of holding certain investments and soliciting contributions on behalf of the Club.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the B&GC have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. Unconditional promises to give are recognized as revenue when the underlying promises are received by the B&GC. Support that is restricted by the donor is reported as an increase in net assets without donor restrictions if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets

Boys & Girls Club of Indian River County, Inc. and Affiliate

Notes to Consolidated Financial Statements (continued)

Note 2 – Summary of Significant Accounting Policies (continued)

Basis of Presentation (continued)

released from restrictions. Expenses are reported as decreases in net assets without donor imposed restrictions. Gains and losses on other assets or liabilities are reported as increases or decreases in net assets without donor imposed restrictions unless their use is restricted by explicit donor stipulation or by grantor agreement.

Cash and Equivalents

Cash and cash equivalents consist of demand deposits in banks, cash on hand, and deposits in money market funds with original maturities of less than three months.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

Property and Equipment

The B&GC follows the practice of capitalizing, at cost, all expenditures for fixed assets in excess of \$1,500. Donations of property and equipment are recorded as contributions at their estimated fair value at the date of donation. Depreciation is provided using the straight-line method over estimated useful lives ranging from 3 to 39 years.

Leases

The B&GC determines whether to account for its leases as operating, capital or financing leases depending on the underlying terms of the lease agreement(s). This determination of classification is complex and requires significant judgement about the B&GC's cost of funds, minimum lease payments and other lease terms. In accordance with ASU 2016-02, *Leases (Topic 842)*, the B&GC has made the accounting policy election not to recognize right-of-use assets and lease liabilities for leases of 12 months or less and therefore, these are expensed on a straight-line basis. Lease and non-lease components are accounted for together as a single lease component for operating leases associated with office space and equipment leases.

Revenue Recognition

B&GC recognizes revenue in accordance with Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. The core principle of the guidance is that entities recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. No contract liabilities were recorded for the fiscal year.

Income Taxes

The Club and the Foundation are both not-for-profit organizations as described in Sec. 501(c)(3) of the Internal Revenue Code. As such, the entities are exempt from federal and state income taxes except on net income derived from unrelated business activities. The entities are not classified as private foundations.

Boys & Girls Club of Indian River County, Inc. and Affiliate
Notes to Consolidated Financial Statements (continued)

Note 2 – Summary of Significant Accounting Policies (continued)

B&GC has analyzed the tax positions taken and has concluded that as of June 30, 2024, there are no material uncertain positions taken, or expected to be taken, that would require recognition of a liability or disclosure in the financial statements. The Club's and the Foundation's tax returns for the past three years are subject to examination by taxing authorities and may change upon examination.

Functional Allocation of Expenses

The cost of providing the various programs and other activities has been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited using specific identification or time & effort analysis as appropriate to the underlying natural expense categories.

The significant expenses that are allocated include the following:

<u>Expense</u>	<u>Method of Allocation</u>
Salaries and benefits	Time and Effort
Occupancy	Location or Program
Program activities	Location or Program
Depreciation	Location

Allowance for Credit Losses

The Club accrues an allowance for credit losses for estimated losses that result from the failure or inability of grantors or donors to make required payments. When determining the allowance, the Club considers the probability of recoverability of receivables based on expected losses and recoveries, taking into account current collection trends as well as general economic factors. The analysis of receivables is performed throughout the year. For the year ended June 30, 2024, management determined that an allowance was not necessary based upon the factors above. As a result, the allowance for credit losses is \$0 at June 30, 2024.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Prior Period Information

The consolidated financial statements include certain prior year summarized comparative information intended to be read only in relation to the current period figures. The comparative information was derived from the B&GC's consolidated financial statements for the year ended June 30, 2023 and does not herein include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Additionally, the prior year comparative figures may reflect certain reclassifications of amounts to conform to current year presentations.

Boys & Girls Club of Indian River County, Inc. and Affiliate
Notes to Consolidated Financial Statements (continued)

Note 3 – Uninsured Cash/Investment Balances and Credit Risk

Financial instruments which potentially subject the B&GC to a concentration of credit risk include cash and investments held at financial institutions, which at times exceed FDIC/SIPC insurance limits or are subject to risks associated within the underlying securities. The B&GC has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk related to its cash and investment balances.

Note 4 – Liquidity and Availability of Financial Assets

The B&GC has \$2,594,546 of financial assets available within one year of the statement of financial position date to meet cash needs for general operating expenditures. Available current assets include operating cash of \$2,481,731 and grants receivable of \$112,815. An annual appropriation and transfer from the Foundation's investments to the Club for operations is expected to continue. The Club will additionally fund operating needs through program services income, contributions, and fundraising.

The components of total investment return from investments for the fiscal year ended June 30, 2024, are reflected below:

Interest and dividends	\$ 225,772
Net realized and unrealized gains (losses)	497,058
Investment fees and expenses	(37,057)
	\$ 685,773

Note 7 – Fair Value Measurements

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels. A financial instrument's categorization within the fair value hierarchy is based upon the lowest level of input that is available and significant to the fair value measurement. There were no transfers between levels during the year. The three levels of inputs that may be used to measure value are as follows:

Level 1 – Quoted prices in active markets for identical assets or liabilities.

Level 2 – Observable inputs other than quoted prices in active markets for identical assets and liabilities, quoted prices for identical or similar assets or liabilities in inactive markets, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3 – Inputs that are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability.

Boys & Girls Club of Indian River County, Inc. and Affiliate
Notes to Consolidated Financial Statements (continued)

Note 7 – Fair Value Measurements (continued)

Fair values of assets measured on a recurring basis at June 30, 2024 are as follows:

Fair Value Measurements at Reporting Date Using				
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
Cash & equivalents	\$ 2,683,706	\$ 2,683,706	\$ -	\$ -
Investments	5,060,627	5,060,627	-	-
Leasehold interests	576,184	-	-	576,184
	\$ 8,320,517	\$ 7,744,333	\$ -	\$ 576,184

Note 8 – In-kind Contributions

As of July 1, 2021, B&GC adopted ASU 2018-08, *Not-for-Profit Entities (Topic 958): Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*. Under ASU 2018-08, B&GC is required to make certain disclosures pertaining to the value of in-kind donations of nonfinancial assets in its financial statements. This effect of this pronouncement is reflected in the financial statements for the year.

Note 9 – Leasehold Interests and Donated Facilities Usage

B&GC leases land from the City of Vero Beach, the City of Sebastian, the City of Fellsmere, and Indian River County under respective 50-year leases, all with annual \$1 rental payments. All land leases are being used to help provide facilities for programs. The lease terms related to these leases expire in April 2058, October 2051, February 2069, and August 2058, respectively.

In prior years, the B&GC finalized the initial improvements of these leases, placed them in service, and has capitalized them as leasehold interests and donated facilities. The fair market value of the leases has been recorded in the accompanying financial statements as net assets with donor restrictions.

Amounts to be released are as follows:

Note 10 – Revolving Line of Credit

The B&GC obtained a revolving line of credit from Seacoast National Bank in the amount of \$100,000. This line of credit carries interest at the bank's prime rate, adjusted as necessary for any minimum/maximum rate limitations, with an effective rate not to be less than 5.0%. The line of credit is payable on demand with a maturity date of February 26, 2024. The Club did not renew the line of credit upon its maturity.

Note 12 –Net Assets Without Donor Restriction – Board Designated

Boys and Girls Club of Indian River County, Inc.

As of June 30, 2024, the Board of Directors has designated \$6,985,113 of net assets without donor restrictions for future capital expansion and club operations. Of this amount, \$250,000 is designated capital reserves and \$640,321 as operating reserves held by the Club, and \$6,091,298 of net assets without donor restrictions is maintained by the Foundation as further described below.

The Foundation consists of funds transferred by the Club's Board of Directors to function as quasi-endowments. Funds functioning as quasi-endowments are organization resources designated by the board as endowment and are invested for long-term appreciation and current income. These assets however, remain available and may be spent at the board's discretion. Funds functioning as quasi-endowments are recorded as net assets without donor restrictions.

Boys and Girls Club Foundation of Indian River County, Inc.

To date, no funds have been received by the Club or the Foundation as donor-imposed endowments. Any funds that may be contributed by a donor-imposed endowment donation in the future would be classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

In June 2011, Florida enacted the Uniform Prudent Management of Institutional Funds Act (FUPMIFA), which was effective July 1, 2012, and adopted by the Foundation. The Board of Directors of the Foundation has interpreted the FUPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of any donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result of this interpretation, the Foundation will classify as permanently restricted net assets (a) the original dollar value of gifts donated to the permanent endowment, (b) the original dollar value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund. The remaining portion of any donor-restricted endowment fund that is not classified as permanently restricted is classified as temporarily restricted until those amounts are appropriated for expenditure by the Organization's board.

In accordance with FUPMIFA, the Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- The duration and preservation of the fund
- The purpose of the Foundation and the donor-restricted endowment fund
- General economic conditions
- The possible effects of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Club and Foundation
- Current investment policies of the Foundation

Funds with Deficiencies

From time to time, the fair value of assets associated with individual donor restricted endowment funds may fall below the level that the donor or Foundation policies require to retain as a fund of perpetual duration. If this were to occur, the Foundation would not expend any monies from the fund until the fair market value of the fund returns to a level above the principal. The Foundation does not have any individual donor restricted endowments nor associated deficiencies as of June 30, 2024.

Return Objective and Risk Parameters

The Foundation has adopted a balanced growth investment approach seeking to protect the long term principal value of the quasi-endowment while providing long term real growth of the principal. The Foundation understands that actual returns in any given year may vary, and that adoption of this objective does not assure achievement of any specific investment results.

Strategies Employed for Achieving Objectives

The Foundation targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term objective within prudent risk constraints with the asset mix to consist of 35%-75% equity instruments, 10%-55% fixed income securities, 0%-20% global real estate and commodities, and 0%-20% money market funds. The Foundation has preference for simple investment structures which will have lower cost, easier oversight, and less complexity for internal financial management. The Foundation has hired an investment manager to assist them in reaching these goals.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Foundation's spending policy is authorized by the respective Boards of Directors of Boys and Girls Club of Indian River County, Inc. and Boys and Girls Club Foundation of Indian River County, Inc. Such policy is to consider expected rates of return on investments, restrictions on principal, requirements to support operations and special projects, maintenance of prudent reserves, tax code requirements, and allowances for market and economic uncertainties, as applicable. Transfers to operating accounts from the quasi-endowment funds earnings require appropriation by the Foundation's Board.

Changes in the board designated funds for the year ended June 30, 2024 are as follows:

	Club	Foundation	Total
Board-designated net assets at June 30, 2023	\$ 890,321	\$ 4,069,403	\$ 4,959,724
Contributions	-	1,400,000	1,400,000
Net investment activity	-	626,294	626,294
Appropriated for expenditure	-	(4,399)	(4,399)
Board-designated net assets at June 30, 2024	\$ 890,321	\$ 6,091,298	\$ 6,981,619

Note 13 – Contributed Services

B&GC receives services from a number of volunteers who give significant amounts of their time to programs and fund-raising campaigns. These donated services are of a nonprofessional capacity and as such do not meet the criteria for financial statement recognition. Therefore, these services are not reflected in the financial statements.

Note 14 – Employee Benefit Plans

The Club initiated a money purchase plan on January 1, 2010. Each employee working 30 hours or more per week is eligible to participate when they reach 21 years of age and have completed one year of service to the Club. Under the plan, the Club may make contributions equal to 5% of the employee's compensation for the year. Employees are 100% vested in employer contributions after three years of service. Contributions for the year ended June 30, 2024, were \$28,759. The Club also maintains a 403(b) retirement plan, whereby eligible employees can voluntarily contribute a percentage of their compensation up to the Elective Deferral Dollar Limit permitted under Code Section 415.

Note 15 – Special Events

Special event income for the year ending June 30, 2024, are as follows:

	Event Income	Direct benefit to donors	Net Event Income (Loss)
Angels dinner	\$ 794,768	\$ 75,830	\$ 718,938
Golf tournament	203,990	46,125	157,865
Bridge	20,105	3,709	16,396
	\$ 1,018,863	\$ 125,664	\$ 893,199

Note 16 - New Accounting Pronouncement

The Financial Accounting Standards Board (FASB) issued a new Accounting Standards Update (ASU), ASU No. 2016-13, *Financial Instruments-Credit Losses (Topic 326): Measurement of Credit Losses on Financial Instruments* on June 16, 2016. The standard introduced an impairment model (the Current Expected Credit Losses (CECL) model) that is based on expected losses rather than incurred losses. The new standard is effective for years beginning after December 15, 2022. The Club adopted the new standard prospectively as of July 1, 2023. The adoption of the standard had no material effect on the financial statements.

Note 17 - Subsequent Events

During the fiscal year the Club applied for Employee Retention Tax Credits ("ERC") under the CARES Act by filing revised 2020 and 2021 Form 941-X Adjusted Employer's Quarterly Federal Tax Returns for the quarters ended June 30, 2020, September 30, 2020, December 31, 2020, March 31, 2021, June 30, 2021 and September 30, 2021. As of December 2, 2024, the Club has received ERC funds in the amount of \$587,800 plus accrued interest of \$126,078, totaling \$713,887. No amounts related to these funds have been recorded in the financial statements as of June 30, 2024. The Club's amended Employer's Quarterly Federal Tax Returns are currently subject to IRS examination for up to five years. In the event the IRS disagrees with the Club's eligibility for the ERC, the IRS can demand full or partial repayment and impose interest and penalties.
