

Our Summer Program will run from June 2nd to August 8th (10-weeks) on Mondays-Fridays, from 7:30am to 6:00pm each day.

Lunch and snacks will be provided through the School District of Indian River County's Food Service Department, excluding certain dates in which the food service will observe closures/holidays (including June 2-3, June 19th, and August 1-8th) On these dates, families should plan to send their child with a packed lunch and snack (we will send out reminders as we approach each date)

General Reminders for Registration

Below are some general reminders for families while working on Summer Registration

- Please take your time to make sure that the application is completed correctly. Any missing or incorrect information will result in the application being rejected for resubmission.

- Please be prepared with digital versions of your child(s)' birth certificate(s) your identification to upload (these can be scanned or pictures)

Please do not sign "Yes" for any waivers that are labeled "For High School members only" if your child is not going to be in High School. Signing these incorrectly will result in the application being rejected for resubmission. Select "No"

Spots will fill quickly! Current or previous enrollment is not a guarantee for future enrollment. Please plan to complete the application as soon as possible when it launches, in order to secure your spot. We cannot "hold" spots for any reason.

Enrollment will be accepted on a first-come, first-served basis until we reach capacity for each age group.
